

A**B****C****D****E****F**

The mark follows the lineage, not the motif
read the solid curves against the dashed ones, not against

G

Only one cell type carries more than two targets
11 of 22 testable, 7 only in GM12878

H

Targets specific below the diagonal
25 of 28 motifs

I

Each comparison, scored twice
one point per motif: 28 motifs, 11 targets

H3K27ac fold change
