

A**B****C****D****E**

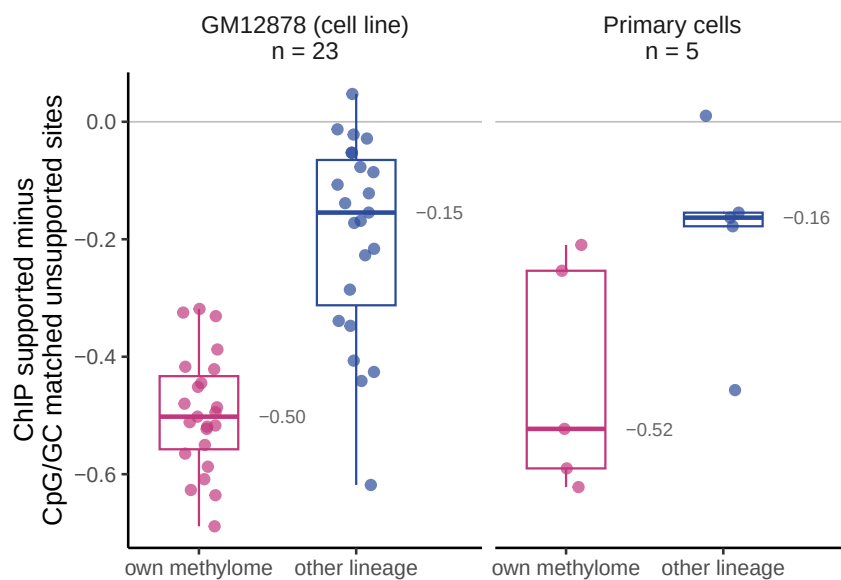

The mark follows the lineage, not the motif
read the solid curves against the dashed ones, not against 1

**F**

Only one cell type carries more than two targets
11 of 22 testable, 7 only in GM12878

**G**

Each comparison, scored twice
one point per motif: 28 motifs, 11 targets

**H**

Cell type specific below the diagonal
25 of 28 motifs
